## STAGING AREA, HANDLER'S BRIEFING, AND WARM-UP INFORMATION

**Staging Area** will be out of view of search area(s). Staging area will include crating, warm-up and waiting area, as well as the secretary table for check-ins and posting of running order and results.

The **Handler's Briefing** will take place in view of the search area prior to the start of each class, after the hide(s) have been set and after the Demo Dog has run. NO DOGS are to be present during the Handler's Briefing.

A **warm-up area** the club shall designate a warm-up area. One labelled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area as well. Clubs may also place blank containers.

## SEARCH AREA AND RING CONDITIONS

Search areas may be of any shape, and of the size specified in the Regulations for each class. **Search Area Conditions.** Searches may be indoors, on matted, carpeted, or tiled surfaces, or outdoors on grass, gravel, earth, concrete, or asphalt surfaces.

**Search Area Sizes** will be as required in the *Regulations for AKC Scent Work*.

## ADDITIONAL SITE INFORMATION

**Trial Site.** It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future.

**Possession of Odors and Training.** Chapter 5. Section 35 of the Scent Work Regulations state “No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area”.

**Spectator Area.** Spectators are encouraged. Any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area. Handlers may not watch other exhibitors from their class prior to their run except in the case of Handler Discrimination classes. No one outside the search area may assist the handler or disclose the location of the hide.

**Crating space** may be available on a limited basis. The event site requires a tarp to be placed on the floor underneath your crates. Crates may NOT be left overnight. The **Welsh Springer Spaniel Club of America, Inc.** and the **Georgia National Fairgrounds & Agricenter** will not be responsible for any lost or damaged items left at the show site.

**Exhibitors are responsible** for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

A **New Title rosette** will be awarded to each dog finishing a title.

## HIGH IN TRIAL (HIT)

Teams who participate in the same difficulty level in all elements offered (Container, Interior, Exterior) and qualify in each are eligible to win **High in Trial Rosette**. One High in Trial winner is chosen per difficulty level; there is no separate High In Trial for the Novice A and Novice B sections. The High in Trial is determined by adding the team's faults across the elements; the team with the fewest faults will be declared the winner. If there is a tie based on faults, then the teams' times across the elements will be summed and the faster-finishing team will win. The High in Trial award is not recorded by the AKC.

## HIGH COMBINED DIVISION (HCD)

Teams who participate in the same difficulty level in all elements offered (Container, Interior, Exterior) plus Handler Discrimination, and qualify in each, are eligible to win the **High Combined Division Rosette**. There is no separate HCD for the Novice A and Novice B sections. The High Combined Division is determined by adding a team's faults across all classes; the team with the fewest faults will be declared the winner of the High Combined Division. The High Combined Division award is not recorded by the AKC.

## NOTICE TO EXHIBITORS

### SAFETY, BEHAVIOR and LIABILITY

**The safety of the dog** is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The American Kennel Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The American Kennel Club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the American Kennel Club or any official thereof.

**Collars, Leashes and Harnesses.** During searches, dogs must wear a properly fitted collar or harness approved by the judge. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

**All dogs must be on leash** at all times, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

### ADDITIONAL INFORMATION

### REFUNDS

**No entry fee** will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee. Dogs pulled after closing because of injury or other medical condition are not eligible for a refund.

**Bitches in season are not allowed in the Scent Work trials area.** Owner/Handler will be refunded the full entry fee. Notification in writing must be given to the trial secretary no later than one half hour prior to the start of the first class of the day of the trial.

**A lateral transfer** (from Novice A to Novice B) may be requested if the owner mistakenly entered the dog in Novice A, and it is not eligible. Transfers may be approved provided the class is available and has not reached its limit. Clubs are not required to accept transfers after close of entries.

### RINGSIDE

**Judges are not required** to wait for dogs. The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. The Club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

**EXHIBITOR CHECK-IN:** At check-in you will receive your armband number. Once the time and location for check-in is determined all exhibitors will be notified by email.
