The CH “Wynd” UD Trophy

The CH “Wynd” UD Trophy is presented by Karen Lyle in honor of CH Rysan’s Whyrlwynd UD (Owyn), CH Tydakys Wyndfall UD (Wyll), and CH Lynlee’s Nightwynd UD (Jaymes).

This award recognizes the Welsh Springer Spaniel which has performed with consistency and quality in the Utility class. The award will be open to all Welsh Springer Spaniels competing in Utility A or B classes at AKC recognized obedience trials; however preference will be given to the Utility A class.

The award will first go to the Welsh Springer Spaniel which has earned the five (5) highest scores in the Utility A class at AKC Obedience Trials. The top qualifying scores (up to five) for each competitor are combined into a single point value. The competitor with the highest point value will win the award. If there are no qualifying scores in the Utility A class, the award will then go to the Welsh Springer Spaniel which has earned the five (5) highest scores in the Utility B class at AKC Obedience Trials.

The top qualifying scores (up to five) for each competitor are combined into a single point value. The competitor with the highest point value will win the award. In order to be eligible for the annual award, the owner(s) of the Welsh Springer Spaniel must be member(s) in good standing of the WSSCA for the full award year.

The award year is from January 1 thru December 31 of a given year. All scores are tabulated from official results published in the AKC Gazette Awards; the award is presented at the WSSCA Annual Meeting held in conjunction with the WSSCA National Specialty.
